

The following are the terms and conditions for 2020 Noosa Triathlon Tent bookings in the TriClub Village. These terms are not negotiable and by booking a tent space and paying the booking fee, the Triathlon Club is hereby acknowledging their acceptance of these terms and conditions.

1. The Club acknowledges that our tent size is no larger than 3m x 12m and we will locate it in the allocated 3m x 12m space that the club selected through the online booking form.
2. The Club understands that a booking must only be made for one 3m x 12m or one 3m x 6m space in total. Any space booked over this allocation will be void and the space will be relisted for booking by other Clubs. A refund will not be issued for any invalid tent bookings.
3. The Club agrees to secure the tent and any other infrastructure that it may bring into the park.
4. By booking a club tent space, the Club accepts all risks of erecting their infrastructure in an unsecure public area and open to the natural elements.
5. The Club understands that it is responsible for the security of their possessions brought into Laguna Park at the event. IRONMAN will not be liable for replacement or repair of any of the Club's possessions.
6. The Club understands they are responsible for any damage or injury caused by any items of the Club infrastructure. IRONMAN will not be liable for any damage or injury.
7. IRONMAN reserves the right to request re-positioning or removal of any tents should they be deemed to impact on the operations of the event itself.
8. The Club understands that it must hold a current Public Liability Insurance Policy for the event weekend.
9. The Club agrees to set up their tent within designated times only and neglect to do so will result in an immediate cancellation of the club's booking or their infrastructure removed by the event organisers.
