30 OCTOBER - 3 NOVEMBER

# Changed Traffic Conditions

## Plan your Travel

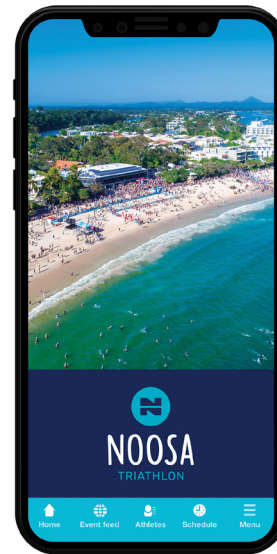

Scan the QR code to visit our webpage which outlines how residents are able to travel during the event, including shuttle bus services.

Road closures will be enforced on event days for the safety of participants and the community.

Please be aware that during the event period you will see an increase in the number of cyclists on local roads.

Always remember to give 1.5m of space when overtaking.
