Equipment:

- Athletes are allowed to wear whatever they feel comfortable in. All we ask is for them to be wearing appropriate closed footwear and covered upper body.

Pre-Race:

- Once you have collected your race kit, head to the body numbering at the entry of transition to get your number put on your arm.
- The athletes will then rack their bikes with help from our friendly staff (No parents allowed inside).
- Finally, you will head to the swim start and start the warmup. We ask the spectators to get involved also!

Post Race:

- Stick around for the random prize draw after the last finisher. The Special Tri staff will collect the tear off section of their bib at the start of the prize drawing near the stage to the left of the Check-in Tent.
